ORTHODONTIC FINANCING AID

ORTHODONTIC CARE FOR ALL

THE FLEXI-ALT PLAN

WHAT IS IT?

The Flexi-Alt Assistance Plan is a unique product that makes it easy and affordable to get Orthodontic treatment (braces). It works by giving you the option to pay a fixed monthly fee for your treatment, rather than paying for the full cost upfront. This way you can get your child the care they need without worrying about large, out-of-pocket expenses.

Flexi-Alt takes the hassle out of orthodontic financing, so you can focus on what really matters- getting you or your child the smile and oral function that's beautiful and healthy.

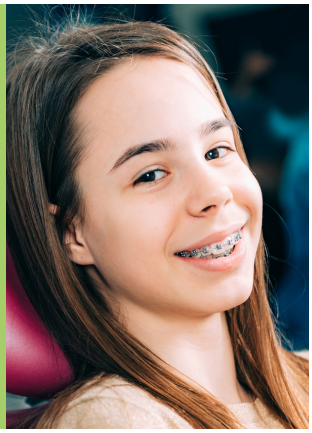

WHO IS IT FOR?

Flexi-Alt is the perfect choice for children who are dealing with the social and developmental challenges that can come with having crooked teeth. It also ensures that your child receives the orthodontic care they need in a timely manner preventing the psychosocial challenges associated with misaligned teeth. With Flexi-Alt, you'll have the peace of mind that comes with knowing that you're making an investment in your child's future- one with great oral health dividends for years to come.

THE PAYMENT PLAN

Flexi-Alt Assistance Plan is designed to be easy to understand and follow. You'll accrue the necessary deposit fee before orthodontic appliances are placed and then continue with easy monthly instalments through the period of 18 months of treatment. (Treatment time in braces is ±18 months). Flexi-Alt can also be combined with your medical aid, if there is a short fall, it can then be covered in instalments under the Flexi-Alt Plan.
